

REIN4CED – Work planner/programmer

In search of REIN4CED – Work planner/programmer

To strengthen our team, REIN4CED is looking for a **Work planner / programmer**. You will take on a number of tasks while setting up and running the series production. Versatility is key through a varied mix of tasks: operating machines, programming the various production cells incl. CAM and devising process improvements.

Job Description:

- You receive a basic internal training for operating the machines.
- You will be trained to program a 5-axis cnc machine with Siemens NX.
- With specific accompanying software you learn to provide the programming with the other production cells.
- In a later phase you independently prepare the programs for managing our process and product manager and you test these together
- with a production manager in the hall.
- If necessary, you make adjustments in consultation with the process and product responsible until the product meets expectations.
- You manage the programs and ensure that the correct version is present on the machine.

What do we expect from you?

- You can work independently and accurately and have a great sense of responsibility.
- You are entrepreneurial and like to roll up your sleeves
- You have a bachelor's degree or equivalent through experience and preferably have several years of industrial experience.
- You preferably have several years of experience in operating and programming industrial machines.
- Knowledge of Siemens NX CAM, Siemens PLC control, Fanuc 30i-B is a plus.
- Additional knowledge of IT is a plus.
- You are flexible in doing and thinking.

- You are resistant to stress and can see topics in perspective.
- You are fluent in Dutch and have a good knowledge of English.
- You have a smooth and well-kept appearance.
- You are open in all your communication with respect for other opinions.
- A switch to Mac does not scare you.

What do we offer you?

Starting at REIN4CED offers you the opportunity to participate in an **innovative and ambitious** project.

You are part of a young and dynamic team. There are no fixed ideas in our company yet and you will have the opportunity to guide the culture and growth of REIN4CED.

In addition to your competitive salary, you will receive an extensive package of fringe benefits.
